Please Visit: <http://www.stocksloan.net> for information

After “*typing*” and completing this “*Fillable*” PDF application form, please save it on your computer, and then send it to information@stocksloan.net as an email attachment.

You must **OWN** securities such as public stocks, bonds, mutual funds, etc., to be **ELIGIBLE** for a Stock Loan.

Please visit: <http://www.stocksloan.net/questions.htm> for frequently asked questions and answers

The leading indicators when determining the eligibility of a stock as collateral are going to be exchange, volatility, share price, liquidity, trends, filings, short term trading volume and long term trading volume. The most attractive interest rates and terms and conditions are available to those stocks with good strong and steady “daily” volume and price, and low volatility.

This form is solely for the purpose of receiving an indication of loan terms. This is not an offer to buy or sell securities.
